Prof. Devika P Madalli

Director

INFLIBNET Centre

Infocity, P.B. No. 4, Gandhinagar – 382007, Gujarat

Dear Prof. Madalli,

I am glad to know that the INFLIBNET Centre is organising the Librarian's Day Celebration to commemorate the 134th birth anniversary of Prof. S. R. Ranganathan, the Father of Library Science in India, on August 12, 2026. I extend my warm greetings to librarians, researchers, teachers, students, and knowledge seekers across the country.

This year's theme, "**Libraries: Connecting People, Preserving Knowledge, Empowering the Future,**" reflects an important role that libraries play today. With the infusion of modern technologies like AI, data security, libraries can play an important role in bridging the gap of establishing the information authenticity.

As artificial intelligence and digital technologies continue to change the way we learn and conduct research, libraries get even stronger role in providing the information and enable its responsible and wise use.

On this occasion, I congratulate all librarians for their valuable contribution to education and nation-building. I wish everyone a very Happy Librarian's Day.

With warm regards,

Rajat Moona
