

NATIONAL LIBRARIAN'S DAY CAMPAIGN - 2026

Key Message

Prof. Rama Shanker Dubey

Prof. S.R. Ranganathan served as the University Librarian and Professor of Library and Information Science at Banaras Hindu University from 1945 to 1947. During his tenure he modernised the BHU library system and applied his own pioneering Colon Classification system to classify the vast collection of hard copies of books in the library.

In recognition of the great contributions made by this iconic figure, I endorse the INFLIBNET Campaign for Libraries.

#LoveLibraries • #EmbraceKnowledge

Prof. Rama Shanker Dubey

Chancellor, NIEPA and Former Vice Chancellor, Central University of Gujarat
